市面上流传着各种版本的雅思口语题库，但真正被考生们私下称为"王炸题库"的，只有安小雅题库。

为什么我们与众不同？

100%命中的秘密

其他机构依赖考生回忆整理，往往为了抢首发而牺牲准确性

我们拥有独家渠道，确保 P1P2 100%命中，P3 也有 5-7 成命中率

真理往往掌握在少数人手中

用的人多≠题目准确

我们宁愿更新慢一点，也要保证每个题目的可靠性

最好的证明方式？

考完试第一时间打开 APP 验证，你就会明白。为什么这么多考生只推荐安小雅题库。

雅思考官课程

我们跟多位 10 年以上经验的雅思考官合作，提供口语/写作一对一和小班课程。

真真真真真雅思考官，行业顶尖师资水平，有意请联系微信客服。

重要说明：

目前的材料就是 1-4 月海外面对面口语题库了，基本上不会漏掉任何一个题目。后续我们会持续整理反馈，如果有更新则会在微信群内通知。

新题+保留题=完整题库

目前面对面的范围只提供 PDF 版本，录入 APP 时间不定，可能是 2 月初至 2 月底，届时我们会在交流群内通知~

面对面题库录入 APP 后会支持智能定制串题和口语模考评分，如购买 SVIP 会员即可使用。

根据考生反馈，即便是面对面的考试，也有很小很小的概率（去年有 4 人）考到视频口语范围亦或者完全不在题库内的题目。而视频口语考试则很稳很稳。

所以，建议大家尽量报视频口语（video call），避雷面对面口语考试。

Last autumn, I organized our whole class to travel to an Internet-famous town not far from our school.

This Internet-famous town is a few kilometers away from our school. We first rode bikes to its gate and then walked in. There were many ancient buildings inside, which were very suitable as backgrounds for taking photos. So, we took group photos in front of the quaint architecture and then strolled separately. My boyfriend Michael and I started wandering around the town. When we saw delicious food, we bought and tasted it. When we saw gorgeous scenery and stopped to take some photos. We walked all afternoon and passed almost every street in the town.

Although the scenery of this town could not compare with some of the famous scenic spots in China, I was still happy. Because my boyfriend was good at taking photos, he took lots of nice-looking pictures for me. At the same time, we also found delicious homemade glutinous rice dumplings and ate many without a break! For me, traveling to a new place is not only about scenic spots and humanities but also about who you travel with. I was happy to travel with my boyfriend. Although we walked for a long time aimlessly, I didn't feel tired at all. I'll come again if I have a chance next time.

Last autumn, I organized for our whole class to travel to an Internet-famous town only a stone's throw from our school.

This Internet-famous town is a few kilometers away from our school. We voyaged there by bike and after arriving to its gates we walked into the village. There were countless ancient buildings within the village, which were utterly photogenic backdrops for us to take photos against. Therefore, we took group photos besides the quaint architecture and then strolled separately. My boyfriend Michael and I started wandering around the town. When we passed stalls with delicious food we would purchase snacks and have a taste! We walked throughout the afternoon and ventured down every street in the town.

Despite the fact the scenery of this town pales in comparison some of the famous scenic locations in China, I was still ecstatic. Since my boyfriend has a good eye for photography, he took many wonderful pictures for me. At the same time, we discovered these delicious homemade glutinous rice dumplings and ate them nonstop without pause! In my opinion, traveling to a new location is not only about scenic locations and the local communities but also about the travel companions you are with. I was elated to travel with my boyfriend. Even though we wandered the streets for a long time aimlessly, I didn't feel exhausted at all. I shall definitely return if I ever have the chance again.

去年秋天，我组织了我们全班的同学一起去离我们学校不远的一个网红小镇旅游。

这个网红小镇在离我们学校几公里外的地方。我们一行人先是骑车到了小镇的大门口，然后步行进去这个镇。镇子里有很多年代久远的古建筑群，非常适合拍照。于是我们就在古楼前拍了合照，然后就分开闲逛了。我和我的男朋友 Michael 就开始在小镇里乱逛，看见好吃的就买点尝尝，看见某处风景不错就停下来拍照。我们走了整整一个下午，几乎把小镇里每条街道都走过了。

虽说这个小镇的风景比不上国内的一些著名景区，但我还是很开心。因为我的男朋友很会拍照，他给我拍了很多好看的照片。同时我们还发现了一家特别好吃的自制糯米团子，我们一口气吃了好多个！其实对我来说去到一个新地方旅行并不单单看景色和人文，更重要的是跟谁一起旅游。跟我男朋友出来旅游就很开心，虽说我们漫无目的地走了很久很久，但我丝毫不感到累。下次还有机会的话我会再来逛逛。

Last year, I organized all my classmates to go on a short trip to an internet-famous village. I was the vice-monitor of our class. Anna, our monitor, and I planned this activity together. At first, we wanted to go to a riverside park, where we could ride bikes and have a picnic. But later Anna said that there were too many people in our class and it was difficult to manage. In case someone accidentally drowned, there would be trouble. So, we discussed for a long time and decided to go to this village near our school.

This village is several kilometers away from my school. There are not only buildings of considerable antiquity, but also a number of local delicacies available in the village. Most people in our school have heard of it, and the locals tend to visit it a lot. So, we went to visit the town on a sunny weekend.

I have to say this village didn't let us down. The village has beautiful scenery and many delicious snacks stands. Our class took a group photo in front of the ancient building at the gate. And we also shared our photos with each other. We had a good time in the town, and every student was satisfied with the event I organized.

去年秋天，我组织了我们全班的同学一起去离我们学校不远的的一个网红小村庄旅游。我是我们班的副班长，我和班长 Anna 一起筹划了这次集体活动。一开始我们想去一个江边公园活动，在哪里我们可以骑自行车，野餐。但后来 Anna 说我们班人比较多，不好管理，万一有人不小心溺水了就麻烦了。所以我和她商量了很久，决定去学校附近的一个网红小镇。

这个网红小村庄在离我们学校几公里外的地方。村庄里不但有年代久远的古建筑群，还售卖着许多品种的美食，听说那里的自制糯米团子非常好吃。虽然它在网上不算很有名，但是我们学校的很多人都知道它，本地人也很喜欢去那里。所以最后我们就在一个阳光明媚的周末去了这个小镇游玩。

不得不说这个小镇没让我们失望，镇子里风景秀丽，还有很多好吃的小吃摊子。我们全班在门口的古楼前拍了合影留念，还互相分享了各自拍的照片。我们一行人在小镇玩得很开心，每个同学都很满意我的安排。

I follow a well-known blogger on Weibo, her name is Anna. She has many followers on her Weibo account, including many of my classmates. I first knew her after my roommate recommended her to me.

She is a blogger who shares English videos. As a Chinese woman, she is beautiful. She studied in the UK before and now works there, so she speaks English very well. She often shares some daily English expressions and some funny experiences abroad.

Her short videos only last a minute or two, so watching her videos is a relaxing and pleasant thing. I like watching her videos on my smartphone alone in the dormitory. This way I can make full use of my free time.

Learning English through short videos is an efficient method that is not restricted by time and space. The English knowledge she shares is usually something I cannot learn in books. For example, she will interpret many English phrases in movies and tell everyone how to speak like natives in a certain situation. In addition, she will interview some passers-by at random and ask some hot issues to make her English vlogs. I think the way the British answer questions is interesting, and their ideas are quite different from those of the Chinese. I often watch her videos in some of my free time, which improves my English level. I also recommend Anna to my friends, and they all like her very much.

Learning English through short videos is an efficient method that is uninhibited (无拘束的) by time constraints or location. The English knowledge she imparts (传授) is usually something I cannot discover in

books. For example, she will **interpret** (解释、说明) and explain many English phrases in movies, furthermore she also instructs everyone on how to speak like natives in certain situations. In addition, she often interviews some passers-by at random and asks questions on **hot topics** (热门话题) to use in her English vlogs. I think the manner in which the British answer questions is fascinating, and their opinions are quite **distinct from** those of the Chinese. I often watch her videos during **my time off** (有空的时候), which improves the quality of my English. I also recommend Anna to my friends, and they all enjoy her very much.

我在微博上时常关注一个知名博主，她就是 Anna。她在微博上有很多粉丝，很多我的同学也关注了她。我第一次知道她是因为我舍友把她推荐给我的。她是一个分享英语视频的博主。她是一个中国人，长得很漂亮。她之前在英国留学，现在还在英国工作，所以他英文讲得很好。她经常会分享一些英语的日常用语，还有一些国外的有趣见闻。

她录的视频时长很短，往往只有一两分钟，所以每次看她的视频都是一件轻松且愉快的事情。我很喜欢一个人在宿舍用手机看她的视频。这样可以把碎片化的时间充分利用起来。

通过短视频来学习英语是一种高效的，不受时间空间限制的学习方法。她分享的英语知识通常是我在书本上学不到的。比如她会截取很多电影中的英文短语，告诉大家某种情境下说什么才更加地道。除此之外，她还会随机采访一些路人，问一些热点问题。做成英文 vlog。我觉得英国人回答问题的方式很有趣，想法也和中国人很不同。我经常在我的一些碎片化时间里看看她的视频，提升了我的英语水平。我也把 Anna 推荐给了我的朋友，她们都很喜欢她。

On a weekend last month, my roommates and I had an intriguing late-night gab session when we discussed whether we should go for a wealthy or a physically attractive boyfriend. Despite our different views, we were very engaged in the conversation and stayed up late into the night.

The conversation started when my roommate Anna mentioned that her boyfriend gave her a pricey Coach bag as a birthday gift and took her to a deluxe restaurant for dinner. Anna was so delighted by this that she kept smiling all night. However, Lucy, my other roommate, felt a little bit disappointed, as her boyfriend only gave her an ordinary music box for her birthday. Thus, we began to discuss our thoughts on romantic relationships.

Anna said that although her boyfriend only has an ordinary look, he often treats her to lunch at fancy restaurants and gives her gifts that are to her taste. And Lucy said that her boyfriend leads a simple life, but he is totally attractive. The places they often go for dinner are the diners near our school. As for me, I think girls definitely like good-looking guys, but when it comes to finding the suitable one for a relationship, personalities and habits stand out. Even handsome guys cannot charm their way through life.

Although we held different points of view, we just shared them with each other, so we talked very enthusiastically until late at night. It was such an interesting discussion that I still recall it now.

On a weekend not too long ago, my roommates and I had an intriguing (有趣的) late-night gab session (深夜闲谈) in which we discussed whether it is better to settle for a wealthy or a physically attractive boyfriend. Despite our different opinions, we were captivated (沉浸在) by the conversation and stayed up until the early hours of the morning.

The conversation began when my roommate Anna mentioned that her boyfriend gifted her an expensive Coach bag as a birthday present and took her to a highly esteemed (受人尊敬、敬仰的) restaurant for dinner. Anna was so delighted with these gestures of affection (爱情的点点滴滴) that she kept smiling all night. However, Lucy, my other roommate, felt slightly disappointed, as in contrast her boyfriend only gifted her a rudimentary (简单的、基础的) music box for her birthday. Based on this comparison, we began to explore our thoughts

on romantic relationships.

Anna said that although her boyfriend is a plain looking (其貌不扬的) man, he often treats her to lunch at elegant restaurants and gives her gifts that are to her taste (合…意的). However, in response Lucy explained that her boyfriend leads a simple life, but he is incredibly handsome. The places they often go for dinner are the diners (街边小摊) near our school. When it comes to my opinion, I think girls are all into (喜欢) good-looking guys, but when it comes to finding the most suitable one for a relationship, personalities and habits are of most importance. Even handsome guys cannot charm their way through life (帅不能当饭吃).

Despite our different points of view, we shared them with each other and listened to everyone's opinions, so we talked very enthusiastically until the early hours (凌晨). It was such a fascinating and memorable conversation that I still recall it to this day.

大概是上个月的某个周末的深夜,我和我的舍友进行了一场非常有趣的谈话。那就是讨论交男朋友应该交有钱的还是长得帅的。这场对话起源于我舍友 Anna 的男朋友在她过生日的时候给她送了一个比较贵的 Coach 包包,还带她去了一个装修豪华的餐厅吃了晚餐。Anna 非常开心,整个晚上都喜笑颜开。但于此同时,我的另一个舍友 Lucy 就有点失落了。她说她男朋友在她生日的时候只送了一个很普通的音乐盒给她。于是我们宿舍几个人就开始了一场关于恋爱的讨论。Anna 就说,她男朋友虽然长相一般,也不高,但是经常会带她去市区吃高档餐厅,过节都会给她送一些昂贵或者称心如意的礼物。于此同时, Lucy 就说她男朋友生活很朴素,但外形出众,非常帅。他们常去的是学校周边的小店。我觉得每个女生肯定喜欢长得帅的男生,但是要谈感情的话还是看个人性格和消费习惯合不合适。长得帅并不能当饭吃啊。虽然我们的观点存在差别,但我们只是单纯地讨论,所以大家聊得非常起劲,一直聊到深夜才睡下。这真的是一次非常有趣的讨论,我至今还印象深刻。(回答《故事》的时候,把最后这句改成 interesting story)

On a weekend not too long ago, my roommates and I had an intriguing late-night gab session in which we discussed how to get a girlfriend.

The conversation began when my roommate Michael shared his story about how he got a new girlfriend recently. He met a charming girl, Anna, in an English tutoring class and he was totally attracted to her at the first glance. Then he took an opportunity to exchange WeChat accounts with Anna, and then chatted with her on WeChat every day. He would share some fascinating news, good restaurants and interesting places with her every day. At Christmas, he prepared a big surprise for Anna. Then Anna gradually developed feelings for him, and then a few days ago, they finally got together.

My other roommates and I were very envious about him when we heard his love story. Michael is a great conversationalist thus he was very welcomed by other girls. Though I haven't got a girlfriend yet, I thought that to get a girlfriend, I should not only rely on rhetoric, but also impress her with my sincerity and actions. Like paying more attention to her health and buying her breakfast every day. Michael countered this by saying this way was so old-fashioned.

Despite our different points of view, we shared them with each other and listened to everyone's opinions, so we talked very enthusiastically until the early hours. It was such a fascinating and memorable conversation that I still recall it to this day.

听到 Michael 恋爱了的故事，我们几个舍友都非常羡慕。因为 Michael 本身就是一个特别会聊天的人，他总是特别受女生欢迎。虽然我还没有女朋友，但我认为交女朋友不能只靠花言巧语，而是要用真诚和行动打动她。比如多关心她身体健康，每天给她买早餐之类的。Michael 则反驳我说我这做法也太过时了。虽然我们的观点存在差别，但我们只是单纯地讨论，所以大家聊得非常起劲，一直聊到深夜才睡下。这真的是一次非常有趣的讨论，我至今还印象深刻。

Recently I met a boy, Michael, in an English tutoring class. He is quite tall, about 1.8 meters in height. Despite an ordinary face, he has a perfectly charming personality. I do enjoy being with him.

He is a funny and thoughtful person who is well-informed about trendy topics and Internet-famous food, either a newly opened restaurant or the latest hit at HeyTea. Sometimes we have dinner together after class. I think he is full of joie de vivre and can always find various novel, interesting things. I feel like there is a surprise awaiting me every time when we are together.

His English is pretty good, so he is always the first to answer the teacher's question, making him stand out against others in the class. He is a humorous guy and particularly nice to talk to. The chats I have with him often make me laugh out loud. He never brings up any embarrassing or uncomfortable topics but can always make everything just right. Although we just met, he has indeed made a pleasant impression on me. I have relished every second with him and want to know more about him. Of course, it would be better if he becomes my boyfriend.

他的英语很好，所以在培训班上他总是能第一个回答老师的问题。这就显得他在我们小小的班级里格外的出众。他是个很幽默的男生，特别会聊天。每次课间跟他聊天，他总能把我逗的哈哈大笑。而且尺度把握得很适中，不会跟我聊一些尴尬或者令人不适的话题。虽然我才刚认识他，但我对他的印象非常好，我很享受跟他相处的每一分钟。我很想继续了解他。当然，如果他能成为我的男朋友，那就更好了。

She is a lovely and interesting girl. We often chat during the breaks and I find she is well-informed about trendy topics and Internet-famous food such as a newly opened restaurant, or the latest hit at HeyTea. I feel like a surprise awaits me every time whenever we are together. Although we just met, she has indeed made a pleasant impression on me. I relish every second with her and want to know more about her. Of course, ideally, I would like for her to become my girlfriend.

Recently I met a charming girl, Anna, in an English tutoring class. She is in good shape and has a very charming smile. I was totally attracted by her at the first glance. I do enjoy being with her.

Her English is pretty good, so she is always the first to answer the teacher's question, making her stand out against others in the class. During class, I sit next to her and often sneak a few glances at her. Whether she was serious or smiling happily, I was fascinated and attracted by her. Sometimes I even feel I'm more than happy

最近我认识了一个漂亮的女生，她叫 Anna。我是在一个英语培训班上认识她的。她身材很好，笑容非常灿烂。从我见到她的第一眼，我就被她吸引住了。我非常喜欢跟她在一起。

她的英语很好，所以在培训班上她总是能第一个回答老师的问题。这就显得她在我们小小的班级里格外的出众。在培训班里，我就坐在她隔壁。我时常偷偷地看她几眼。无论是她认真的样子还是开心的笑容，都让我看入迷了，时常在课堂上走神。有时候我甚至觉得，我就这么静静地看着她就已经很开心了。

她是一个很活泼有趣的女生。我们经常在课间聊天，我发现她对近期热门话题和网红美食特别了解，比如哪里开了一家有趣的餐厅，亦或者喜茶又新出了一款新奶茶，他都能第一时间发现。跟她相处，总能发现各种新奇好玩的事情，让我觉得每天都有惊喜。虽然我才刚认识她，但我对她的印象非常好，我很享受跟她相处的每一分钟。我很想继续了解她。当然，如果她能成为我的女朋友，那就更好了。

My glasses are so significant to me that I cannot live without them. Without their help, I can't study and live normally. Myopia is really troublesome for life.

I have suffered from myopia for more than ten years since elementary school. Perhaps I used to play with my mobile phone too much when I was a child. As I get older, my myopia is getting more and more serious, and it is now 500 degrees. Without my glasses, the world is blurry for me, and I have to look very closely to see anything clearly. That's why I wear glasses no matter where I go. Especially when I wake up every morning, everything I see is foggy, and it feels like I am still in a dream. Only when I put on my glasses do I feel that I really wake up. Sometimes I feel that life without the glasses is dangerous, especially when I am taking a shower. Without my glasses, I can hardly see anything in the foggy vapor and I can slip easily.

Wearing glasses is also very laborious, especially when I go shopping or traveling. In this kind of situation, I will put on contact lenses. Of course, wearing contact lenses for a long time will lead to uncomfortable eyes. I hope I can get the chance to take the myopia surgery, so that I can say farewell to my glasses.

I have suffered from myopia for more than a decade since I attended elementary school. Occasionally, I wonder if it is due to me excessively playing with my mobile phone when I was a child. 我的眼镜是我生活中离不开的东西，它对我来说至关重要。没有了眼镜我简直没有办法正常地学习和生活，近视真的是很令人困扰的一件事情。

可能是我小时候经常看手机的缘故，我小学起就患上了近视眼，因此我已经戴眼镜十几年了。而且随着年龄的增加，我的近视眼越来越严重，现在已经有 500 度了。这意味着不戴近视眼镜的话，我看到的东西都是模糊的，得靠近了看才能看清。所以无论是去哪里，我都得戴上眼镜。尤其是当每天醒来的时候，我一睁眼看到的东西都是雾蒙蒙的，感觉像没睡醒一样。只有当我带上了眼镜，我才觉得自己是真的睡醒了。有时候我觉得离开眼镜我真的活不下去，比如洗澡的时候。脱下眼镜后，我在蒸腾的水汽中我几乎看不到任何东西，很容易滑倒。

戴眼镜是一件很麻烦的事，尤其是出门逛街或者旅行的时候。这时候我就会换上隐形眼镜。当然隐形眼镜戴久了眼睛也会很难受。之后有机会的话，我想尝试一下近视手术，这样我就能彻底告别眼镜了。

简单版

One school rule I don't like is that we are required to wear uniforms during school. The purpose of this rule may be to avoid issues arising from difference in dress among students and to foster a sense of community.

School uniforms are very common in our country. Almost all primary and middle schools require students to wear school uniforms. The school uniform is ordered by the school and then sent by our teacher to every student. There are summer school wears and winter school wears. In the winter, a large cotton-padded coat will be issued. They are not free clothes which means students need to buy them. The summer uniform is about 50 yuan while the winter uniform is about 100 yuan. Each school uniform style is also different. Generally speaking, the style of school uniform is very outdated. For example, my high school uniform jacket is a simple white and green style, and the pants are totally green, which is not good-looking at all. However, due to the principles of the school, all students need to wear the uniform, or they will get demerits.

When I was in high school, I hated wearing school uniforms. One reason is that I have my own personality and the clothes I like, which can prove that I am unique and different from others. On the other hand, I want to wear my favorite clothes to class, which I think would make me happier and more motivated to attend class. Also, it's weird that everyone wears the same clothes at school, because outside of school, only people in prison get dressed up the same clothes.

When I attended high school, I detested wearing school uniforms. Initially, the reason is that I have my own personality and fashion sense I want to exhibit, by styling my clothes I can demonstrate that I am unique and different from others. Furthermore, I would like to wear my favourite clothes to class, I believe this would improve my spirits and motivate me to attend class. Also, I find it strange that everyone wears the same clothes at schools, because outside of school the only people in identical clothing are prisoners.

我不喜欢的一条学校规定就是学校要求我们在校期间必须穿校服。目的可能就是为了避免学生之间的穿衣攀比，以及培养集体意识。

校服在我们国家非常常见，几乎所有的小学和中学都会要求学生穿校服。校服是学校统一订购，由老师发到每一个学生手中的。有长袖长裤，也有短袖短裤。冬天的时候还会发一件大棉服。校服是收费的，夏装大概是 50 元一套，冬装的话需要 100 元左右。每个学校的校服款式还不一样。

一般来说校服的款式都很过时，比如我高中的校服上衣就是简单的白色和绿色的搭配，裤子是绿色的，一点都不好看。但迫于学校的要求，所以所有学生都需要穿校服，不然就会被记过。

在我高中的时候，我非常讨厌穿校服。一方面，我有自己的个性有我喜欢的衣服，这可以证明我是唯一的，跟别人不一样。另外，我想穿上我喜欢的衣服去上课，这样的话我认为我会更开心，更有上课的动力。还有就是，每个人都在学校穿一样的衣服让人感觉很奇怪，因为除了学校，只有监狱的人才会被统一服装。

I am crazy for dessert, especially cakes and milk tea. Speaking of the most special cake, I would like to share with you my first experience of making a cake.

On my birthday this year, my good friend Anna took me to a great baking shop called ABC cooking. The shop looks very bright and clean, and it is located in the busiest mall in the city. In this shop, Anna and I got the chance to design our own cake. Since both of us had no baking experience, we chose to start with cheesecake, which was the simplest. During the process, there was a professional teacher who guided us through everything. She taught me how to make a cake base with flour and how to whip the cream. I also acquired some professional baking knowledge, such as how to choose suitable flour, what are the methods used for different mixing techniques, and so on. I followed the teacher's instructions step by step, and finally, I made a perfect cheesecake in about two hours.

To be honest, it is the most special cake for me. I took it home and shared it with my parents. They said that the cake was delicious and my mother didn't even believe it was made with my own two hands. I think this bakery lesson was interesting and memorable. It was meaningful to make a cake for myself on my birthday. I seem to be in love with baking ever since then. If I have free time in the future, I will join a similar baking course again.

A couple of months ago, I had an ambition to lose weight in a short time. To be honest, this is a difficult goal for me to achieve, because I am the kind of person who easily becomes fat. I seldom do exercise, and enjoy all kinds of junk foods and high calorie bubble teas. It is quite tough for me to form healthy habits and lose weight.

However, considering I was overweight, which was not only unattractive, but also a serious health risk, I made up my mind to lose weight as quickly as possible. So, I began to play badminton several times a week and follow a strict, healthy diet.

Badminton is a very healthy yet undemanding sport. It is easy to find places to play badminton and friends to play against. Badminton is also not a very physically demanding sport. Thus, it is an easy way for me to exercise without risk of overexerting or injuring myself. Meanwhile, I have to make proper dietary adjustments to aid me in my weight loss, such as eating fewer late-night snacks and junk food.

I've actually been dieting for a couple of months now, but I haven't been exercising as much as I had planned because of my laziness. Although I kept myself from eating late night snacks and high-calorie foods, I still didn't lose much weight, maybe just a kilo or two. I have to say, losing weight is really a very difficult thing!

但是考虑到我现在真的很胖，这样不仅难看，对健康也有很大的风险。我还是下定决心去减肥。而减肥的方式就是每周打几次羽毛球和严格遵循一个健康的饮食方式。

打羽毛球则是一项非常好的运动。我很容易就能在学校里约上几个同学朋友一起打羽毛球。此外，羽毛球也不是一项对身体要求很高的运动。这意味着，这是一个人们更容易进行锻炼的方式，而没有过度劳累或伤害自己的风险。同时，我也进行适当的饮食调整来帮忙减肥，例如少吃宵夜和零食。

The online shopping platform Taobao and the online payment system Alipay he created have influenced people's shopping habits in today's society.

Many years ago, online shopping was not a hit in China. People were still accustomed to buying stuff they need in the mall. On the one hand, people could see the actual goods when they shop offline, and on the other hand, people might be worried that online shopping could not guarantee the quality of goods. But Jack Ma thought of a very clever way to solve this, that is, to build a third-party platform, Alipay. He gave up his job as an English teacher with a stable income and founded his own company. When people shop online, Alipay, as a trusted third party, will temporarily keep the money as escrow and informs the seller that the buyer has made the payment. At the time the money is neither directly controlled by the buyer nor the seller, which perfectly solves the problem of mistrust between the two parties. Buyers do not need to worry about deceptive practices, and sellers can also increase sales quickly.

Today, more than a decade later, Taobao has become China's largest online trading platform. Online shopping has become an indispensable part of our daily lives, and Jack Ma has therefore become the richest man in China. That is what Jack Ma has contributed to our society. It is for these reasons I admire him most.

许多年以前，网上购物没在国内兴起。人们还是习惯于在商场购买自己需要的商品。一方面是因为现场购买商品可以看到商品实物，另一方面是担心网上购物容易发生货不对板的问题。但马云想到一个非常聪明的方法，那就是构建一个第三方平台，也就是支付宝。微信公众号：安娜雅思。他放弃了收入稳定的英语教师的工作，创建了自己的公司。人们在网上购物的时候，支付宝作为一个受信任的第三方，会将货款暂时保存，这样一来就完美地解决了双方的不信任问题。买家既不需要担心上当受骗，卖家也可以快速地提高销量。

Here, business and leisure also mix marvelously. You can see the hurried footsteps of white-collar workers. Behind them, there may be an old couple walking by the Huangpu River. This magical collision makes the city full of charm and also attracts me deeply.

When one stands in Town God's Temple, you can gaze upon the antique buildings and pavilions overhead. Yet also, when one looks far ahead from the same angle, the tall buildings in Lujiazui are clearly visible. Here, business and leisure also mix marvelously. Whilst you are surrounded by the hurried footsteps of white-collar workers, you may also witness an old couple walking by the Huangpu River. This magical collision makes the city full of charm and is the cause of my deep attraction to it.

上海以发达的经济闻名全国。在中国人们往往喜欢称呼上海为魔都，足以见得这座城市的时尚和现代化。很多年轻人喜欢去上海工作，因为上海有更多的机遇，同时还有更高的薪酬。

上海不仅是一座现代化的城市，更是一座有趣的城市。在这里古老和现代神奇的交融在一起。站在城隍庙，你可以看到头顶的仿古建筑和凉亭。同一个角度望向远处，陆家嘴的高楼清晰可见。在这里忙碌和悠闲也会神奇的交汇。你可以看到白领匆忙的脚步，他们的背后也许有一对在江边散步的老人。这种神奇的碰撞让这座城市充满着魅力。也深深地吸引着我。

Since I was a child, I have been interested in kites. They are just one of my favourite toys. Even as far back as ancient times, people were capable of making kites for recreation. Now kites are merely used as toys enjoyed by children and adults alike.

The first time I encountered real kites was in primary school when a teacher taught us how to make simple ones using white papers, wooden sticks, and strings.

I remember when I was very small, my grandfather would take me to fly kites in the park, but back then, I was too young to fly a kite by myself. Every time, my grandfather would launch the kite into the air first, and then I would run around holding the end of the string. Whenever my grandpa took me to fly kites, I would be as happy as a clam all day long!

I have not flown a kite for a long time now, partly because I am busy with my studies, and partly because there are so many new toys and entertainment products now. But the kite has always been a traditional object that I enjoy. It is not only a toy, but also a memory of my childhood.

The first time I encountered real kites was in primary school when a teacher taught us how to make simple ones using white papers, wooden sticks, and strings.

Growing up, grandpa often took me to fly kites at the park. That was very pleasantly memorable indeed, especially coupled with the mindboggling idea that an inanimate craft you were still holding at one point ended up soaring up high a few minutes later. I was of course too small to fly a kite all by myself then; it was Grandpa who launched the kite for me before letting me run around holding on to the other end of the string. I won't forget how a morning kite-flying session with Grandpa would put a smile on my face for the entire day.

It feels like an eternity since I last flew a kite. To blame for that would be my studies and the sheer abundance of more fashionable pastimes and amusements. However, kites will always remain deep down as one of my favorite traditional crafts, not so much because it is a toy, but more so as a symbol of childhood recollections.

我喜欢的一个童年玩具就是风筝。古代的人们会制作纸风筝，用来娱乐消遣。到了现代，风筝逐渐地变成了一种玩具，适合大人小孩玩。

我记得小学的时候老师就教过我们自制风筝，那是我第一次接触它。在课堂上，老师教我们用白纸，木棍和绳子做成简易的风筝。

我记得在我很小的时候，爷爷总会带我去公园里放风筝。那是一段美好的回忆。对于那时候的我来说，能让手里的风筝在天空中飞起来是一件非常不可思议的活动。但那时候我年纪太小，不会自己放风筝。每次都是我爷爷先把风筝放飞到空中，然后我再抓着绳子的一端到处乱跑。只要我爷爷带我去放风筝，我都能开心一整天！

其实现在我已经很久没有放风筝了，一方面是因为学生生活比较忙，另一方面是因为现在新潮的玩具和娱乐方式太多了。但风筝永远是我喜欢的一件传统物品，他不单单是一件玩具，还是我童年的回忆。

Recently, there was a new outbreak of novel coronavirus in my city. In contrast to the previous outbreak, this time the virus spread rapidly. In order to reduce the risk of transmission, the government required everyone to undertake a nucleic acid test. To encourage people to participate, the mass nucleic acid tests are free which means our government will pay for it.

During that period, I often went out for recreation and arranged parties with my friends. I would visit restaurants, shopping malls and other crowded places on an almost daily basis. Because of the cold weather, I often didn't wear a mask. So, I was very afraid that I had been infected by the virus and I thought it was important for me to do a nucleic acid test. The inspection point was right at the gate of my community. When I went downstairs, I found there was already a sea of people waiting in line to get a test. Anxiously, I joined the queue as quickly as possible.

The winter evening was cold and there were long lines. What was even worsen was that I could do nothing but wait. I took out my phone and started to scroll through videos on Tiktok. Finally, I waited for more than two hours to get my nucleic acid test done. It was teasy to wait outside on such a cold day, even if it was free. I hope I will never have to experience this again. Not every free service is pleasant.

As a hotpot restaurant, Hi Di Lao is renowned in China for its astonishing high-quality services. All its staff members behave politely. They bow to customers and receive them with hot towels and lemon water in a hospitable manner. As customers wait for a table, manicure and shoe-shining services are offered. During the meal, you will also be offered a glasses cleaning cloth and waterproof phone cases. You can even find disposable toothbrushes and combs in the bathroom. What matters more is that everything mentioned above is free. I went for dinner at Hi Di Lao with my family on my birthday this year. They prepared free fruit and birthday noodles for me, and sang me a birthday song. They were just so considerate and all-embracing with their service which surprised and moved me deeply.

I believe the reason why Haidilao provides such a variety of free services is to give customers a different experience, of which high-quality free services are a distinctive high point. Of course, the price of Haidilao is much higher than that of ordinary hotpot restaurants. For better service, I may have to pay a higher price.

Though Hi Di Lao may not be the best tasting restaurant, it's definitely the restaurant with the best service. So, it's always the perfect place for family gatherings.

海底捞的员工都异常地有礼貌，见面会给客人鞠躬，主动递上热毛巾和柠檬水。在客人排队等位置的时候，海底捞还会提供美甲和擦鞋服务；用餐时会给您递上眼镜布和手机防水套；甚至在洗手间都备有一次性的牙刷和梳子。重要的是，这一切都是免费的！今年我生日的时候，我们全家人就是去海底捞吃饭的。就在我们正在吃火锅的时候，他们免费赠送了果盘和长寿面，然后全场的店员都一起给我唱生日歌。这一切让我非常惊喜和感动。

我认为海底捞提供多种免费服务，是为了给顾客一种不一样的体验，优质的免费服务将成为海底捞与众不同的标签。当然，海底捞火锅的价格，比一般的火锅店要高不少，为了优质的服务，我可能要付出更高的价格。

Then I planned to send a box of chocolates, but it seemed a little too basic. Finally, I decided to present Anna with a bunch of flowers. During the annual Spring Festival, we will hear a funny and catchy song, that is "Gong Xi Fa Cai". This song is unique to our country and represents our traditional culture. It was first sung by the famous Hong Kong singer Andy Lau and later covered by many singers.

I believe every Chinese person has heard this song because it is so popular. During the Spring Festival every year, all shopping malls and supermarkets will play this song repeatedly. The lyrics are made up of new year's blessings, such as "may you have a prosperous new year" and "good luck", etc. I remember I had listened to it when I was in primary school. More than ten years later, it is still a hit song. As soon as I hear the familiar melody, I will realize that the new year is coming! Festive songs represent people's beautiful expectations for the new year, which is the same as Jingle Bell's implication for Christmas.

In my view, the reason why this song has remained popular is mainly that its melody is cheerful, which matches the festive atmosphere of the new year. In addition, its well-written lyrics are full of festival celebrations, family reunion blessings and good wishes for the coming year. "Gong Xi Fa Cai" shows a song can gain popularity for more than ten years and even become a symbol of the Spring Festival, which is really an impressive thing.

在每年过春节的时候，我们都会听到一首有趣的，朗朗上口的歌，那就是《恭喜发财》。这首歌是我们国家独有的歌，代表着我们的传统文化。这首歌起初是香港著名歌手刘德华唱的，后来被很多歌手翻唱。

我相信每个中国人都听过这首歌，因为它实在是太出名了。每年春节的时候，所有商场，超市都会循环播放这首歌。歌词大致是一些新年的祝福，比如恭喜发财，好运常来等等。我记得我小学的时候就听过它，直到十几年后的今天，这首歌还是非常热门。只要一听到那熟悉的旋律，我就会意识到，快要过年啦！喜庆的歌曲是人们对于新年的美好期待，这就跟 Jingle Bell 对于圣诞节的意义一样。

之所以这首歌能一直流传下来，我觉得主要还是因为它的曲调很欢快，跟过年的喜庆氛围非常搭配。另外就是他的歌词也写得很好，充满着对节日的庆祝，对家人团圆的祝福和来年的美好祝愿。一首歌能流行十几年，甚至成为了春节的符号，这真的是一件很有趣的事情。

I have had my eye on an elegant Gucci scarf, a grey wool scarf with the iconic Gucci logo on it. It looks very classy. I've been thinking of giving it to my best friend Angela as a gift. Considering its price, it would probably take me several months to save up for it.

I've known Angela for six years. She's been my best friend ever since high school and she has always been my cornerstone and biggest supporter. We took care of and encouraged each other and had a wonderful high-school life together. Now she's about to graduate, I think a luxury scarf will bring her more confidence as she begins her career.

Angela has always had a strong fashion sense. She is particularly fond of the designs of Gucci. I can almost picture how happy she would be when she receives the well-packaged scarf. I want her to feel special and loved with this expensive gift. Although it will take a certain time and energy for me to save up for this luxury gift, I feel it is worth it when I think of the expressions that she will make when she receives the gift. She deserves the best.

Plus, it is not just about price. The feelings behind the price are more important. This represents our relationship and my love for her. Every time she wears that Gucci scarf, she will think of me and remember how much I care for her.

Surfing is the water sport I am keen to try in the future, and it's very popular among young people. I first came across surfing through TV shows where they invited celebrities to try it. It looked really exciting and interesting!

To be honest, surfing is not an easy task. You need to wait in the ocean for a wave to roll in. And when it finally comes, you need to stand up on your board very fast and ride the wave. It's a real challenge, testing your balance and bravery.

I would love try it in Sanya with some of my best friends. I've heard the scenery there is beautiful, with clear waters and professional instructors to teach us! I don't like to do sports alone, so trying out and learning a new sport with friends is far more fun and something to look forward to!

I have seen loads of exciting surfing videos on social media. Those surfers are just too smooth, catching waves and pulling off wonderful tricks like it's second nature. I love taking on new challenges, and surfing seems like such an exciting and interesting adventure. I can't wait to try it and become one of those riding the waves like a pro!

冲浪是我非常想尝试的水上运动（冒险，Adventure），它在年轻人中非常受欢迎。我是从电视上了解到这项运动的（回答冒险时把这句删掉），很多综艺节目都会邀请明星来体验这项运动，我觉得它看起来非常酷。

事实上，冲浪学习起来有些困难。我需要在海里等待海浪的到来。当海浪来临的一瞬间，我需要立刻站起来，双脚踩在冲浪板上顺着海浪滑行。这对我来说是一项非常有挑战性的运动，因为冲浪特别考验冲浪者的平衡性和技巧。

我希望我能约上几个好朋友一起去三亚玩冲浪。因为我听说那里的风景特别美，海水特别干净，而且那里还有专业的教练！我从来都不喜欢独自运动，我认为跟朋友一起尝试和学习一项新运动是非常有趣和令人期待的！

我经常在社交媒体中看到冲浪视频。冲浪者们实在是太酷了，他们能顺着海浪快速滑行，做出各种高难度动作。我是一个喜欢挑战新事物的人。冲浪对我来说非常新奇有趣，我很想尝试一下。我希望我以后能学会冲浪，跟他们一样在海面上驰骋。

I enjoy watching videos about surfing. A few years ago, when I was on vacation in Sanya, I saw some people surfing at the beach. It was my first time watching this sport, and I developed a strong interest in it. In my spare time, I'm always scrolling through Douyin, checking out the fascinating surfing videos it recommends. My friends don't really understand the appeal, so I'm the only one watching!

Surfing isn't a particularly popular sport in China. As far as I know, only a few people actually do it or even watch it. When a wave comes, surfers need to stand up on their board quickly and ride the wave. Some of those surfers are just incredible, catching massive waves and showing off their skills. Watching those surfers is so exciting! It feels like viewing computer-generated effects in movies. I'm afraid that at any moment, the surfers will be lost in the waves, but in reality, they are able to ride the waves, one after one.

I love taking on new challenges, and surfing seems like such an exciting and interesting adventure. I can get totally absorbed watching those surfing videos for an hour. I really wish I could learn to surf and ride those waves like a pro.

Those surfers are just too smooth, catching big waves and pulling off insane tricks like it's second nature. Watching those surfers is so exciting! It's like a scene from an action-packed film. Sometimes I get a bit scared, thinking they might wipe out any second. But guess what? They skillfully navigate through those big waves, one after another.

I'm all about seeking out new challenges, and surfing seems like such a thrilling and fascinating adventure. I could get totally lost watching those surfing videos for an hour, dude. 冲浪在中国是一项非常小众的体育运动，我相信只有很少人观看或者进行这项运动。冲浪者需要在海浪来临的瞬间快速站起来，双脚踩在冲浪板上顺着海浪滑行。因此它具有非常高的观赏性。当海浪特别大的时候，高超的冲浪者能在海浪中快速滑行，做出各种高难度动作！这看起来非常刺激，就像电影中的电脑特效一样。我很怕下一秒冲浪者就会被海浪吞没，但事实上他们都能用自己的技巧冲破一道又一道的大浪。

Our dorm supervisor, Ms. Huang, is a very helpful person, and all of my classmates really like her.

Ms. Huang is probably in her forties. She's not very tall and has a plump figure, but she looks very approachable. She's always there at the entrance of our dorm, and I see her every time I come and go. She's really friendly and always greets me with a genuine smile whenever I say hi.

Ms. Huang is always looking out for the students in our dorm. She set up a lost and found board in the foyer so that if anyone finds something, she'll take it and try to find the rightful owner. I once lost my ID card and, miraculously, I found it at Ms. Huang's lost and found. I'm so grateful to her for that. Plus, she's really great at fixing stuff. Whenever our lamps or chairs break, she'll help us out and repair them for free in her spare time.

Although Ms. Huang's actions were small, they made a big difference in helping us out. If it weren't for her finding my ID card, I wouldn't have been able to take the high-speed train home. She's so kind-hearted and generous with her time, and I'm really happy to have met her. I'm sure my classmates feel the same way.

Remarkably, I once misplaced my ID card and was overjoyed to find it among the items in Ms. Huang's lost and found. I cannot overstate the debt of gratitude I owe her. Additionally, she possesses a talent for repairing various objects. Be it a faltering lamp or a broken chair, she generously offers her help, fixing them without charge during her spare time.

Although Ms. Huang's acts may seem small, they have had a significant impact on our lives. If it weren't for

黄阿姨经常帮助宿舍楼的同学。她立了一块失物招领黑板在宿舍的出入口。但凡有同学捡到别人遗失的物品，她都会无偿地保管并寻找失主。我就曾经遗失了我的身份证，最后神奇地在黄阿姨那里找到了。对此我非常感谢她。此外她还是一个非常善于修理东西的人。有时候我们的灯或者椅子坏了，她在空闲的时候都会帮我们免费修理。

虽然她做的都是一些小事，但实际上帮我们解决了很大的麻烦。假如那次她没有帮我找回身份证，我甚至无法做高铁回家。黄阿姨是一个天生热心肠的人，同时她有足够的空闲时间去做这些事并且乐在其中。我很高性认识黄阿姨，估计我身边的同学们大多也这么想。

Hide and seek was a game I loved to play when I was a child. It's a simple game that only requires at least 2 people to play. The rules are also straightforward. One person acts as the seeker, while the others hide. If the seeker finds someone, they lose.

I remember when I first started primary school, I used to play hide and seek all the time with the kids who lived nearby. We'd always go to the community park to play because it had lots of places to hide such as a slide, bushes, and trees. We'd flip a coin to decide who'd be the seeker, and usually the seeker would find the hiders pretty quickly because the park wasn't that big. I was a fast runner from a young age, so I almost never got caught!

I loved this game because I could easily win - it was so much fun! Whenever I was the seeker, I'd simply pretend to close my eyes to see where everyone was hiding. Even though it was kind of cheating, it made the experience even more memorable. Now that I'm all grown up, I don't have as much time to play games like I used to, so I really miss this childhood experience - especially whenever I pass by the park.

Hide and seek held a special place in my heart during my childhood. It was a simple game that only required a minimum of two participants. The rules were straightforward: one person acted as the seeker while the others hid. Should the seeker successfully locate a hidden player, the latter would be deemed defeated.

Fond memories flood my mind of my early days in primary school when I frequently engaged in spirited hide and seek matches with local children. Our favorite spot was the community park, which offered ample hiding places like slides, bushes, and trees. We would determine the seeker by flipping a coin, and since the park was not very large, the seeker would often find the hiders quickly. Being a fast runner from a young age, I seldom got caught.

I loved this game because I was good at it and it was incredibly fun. When it was my turn to seek, I would sometimes pretend to close my eyes to gain an advantage in locating everyone. Although it could be seen as cheating, it added an extra memorable aspect to the experience. Now that I am grown up, I don't have as much time to engage in games like I used to. Consequently, a wistful nostalgia envelops me, particularly when I pass by that cherished park of my youth.

我记得自己刚上小学的时候，经常和住在附近的小孩一起玩捉迷藏。我们会在社区旁边的公园玩。这个公园里面有滑梯，草丛，还有很多便于躲藏的地方，非常适合玩捉迷藏。我们会丢硬币决定谁当找寻者。大多时候找寻者都能很快的找到猎物，因为公园不太大。我从小就跑得快，所以我很少会被抓住！

我很喜欢这个游戏，因为我很容易在游戏中取胜。每当抽到我的当寻找者的时候，我都会假装闭上眼睛，把大家躲藏的地方看得一清二楚！虽然这很耍赖，但是却让我对这段经历更加印象深刻。现在长大了需要做的事情变多了，感觉再也无法跟小时候一样无忧无虑地玩游戏了。所以我非常怀念这段小时候的经历，尤其是我再路过这个公园的时候。

Last year, our whole family decided to take a road trip back home for Spring Festival. It had been three long years since the pandemic hit, so we were absolutely delighted to go on this trip. We packed our bags in advance, but as soon as we set out, we came across an enormous traffic jam!

At that time, I quickly opened the 'Amap' app to check if there was a faster route. It showed us that there was a serious accident ahead and suggested taking a different route using the national highway. It said that this alternate route could save us over an hour, so without hesitation, we changed our course and followed the app's instructions.

Unfortunately, after driving for quite a while, I realized that the app had led us astray. The new route we were following had a road under construction, which meant there was no way for cars to go through. We had no choice but to turn around and go back to the original route, wasting over two hours of our journey!

That false information from the navigation app was very annoying, and it really got under my skin. To make matters worse, I even encountered some cars that had gone the same wrong way as us. Originally a 4-hour journey, it took us nearly 7 hours to reach our destination. This experience left a deep impression on me. It taught me a lesson that when checking routes, it's always wise to use multiple navigation apps and double-check the information before making any decisions!

My good friend Angela and I travelled to Xi'an during the May Day holiday this year. It's something I have been looking forward to for a very long time, as it has become one of the most attractive holiday destinations in China.

We decided to spend the first day in Xi'an at the Great Tang All Day Mall, a large-scale pedestrian street modeled after the Tang Dynasty, which is a star attraction in the city. During the May Day holiday, the Mall would launch special themed activities, including various free street performances in the evening.

Common sense suggested to me that the night view at the Mall had to be prettier than in the day. What's more, I knew there were going to be performances, so I decided to head there after dinner. Unexpectedly, it was so packed with people from the nearby subway station that I could hardly move. I could only weave between the crowds slowly and what made me even more disappointed was that due to the large number of tourists, the Mall canceled all the performances that night due to safety concerns.

I admit that the Great Tang All Day Mall is one of the most beautiful places I have ever been to, but the sea of people everywhere had an adverse effect on my travelling experience, which made it depressing. Worse still, I did not have a data signal most of the time, and I didn't manage to take any satisfactory photos on my cellphone as the background scenes were so cluttered.

During the May Day holiday this year, I got around to checking one more item off my bucket list: a long-anticipated trip in the company of my good friend Angela to Xi'an, one of the top travel destinations in China today.

High on the agenda of our first day in this dazzling land was a visit to the legendary Great Tang All Day Mall, a mega shopping district built in the traditional Tang Dynasty style, and the city's hottest tourist attraction. The anticipated boom in tourism saw a great variety of special themed activities spring up in Xi'an, among which were all manner of street performances graciously put on for free for people out celebrating at night.

In order to get a view of the Mall in its full glory, while also not missing out on the shows, I decided to head

out to the premises after dinner. But apparently, I was not alone in figuring out that a night-time tour would be more worthwhile. The place and the surrounding area were bursting at the seams. From the moment I stepped out of the subway station, I was forced to follow the crowd at an agonizingly slow pace. As if that wasn't bad enough, all the scheduled performances were called off for safety reasons.

The Grand Tang Mall is easily one of the most beautiful sights I have ever seen. But over-crowding was such an issue that I found my experience exceedingly depressing. There was no stable cellphone coverage, and with the throng, I didn't even manage to take one decent picture.

A few years ago, during the Spring Festival, my sister and I spent an entire afternoon making dumplings. Making dumplings is a traditional custom in China. During many important festivals, people will honour the date by celebrating in this manner.

On the eve of the Lunar New Year, my family gathered to make dumplings. We divided the tasks amongst the family. My mum prepared the dumpling wrappers, my dad was responsible for cutting vegetables, and I was the one who finally formed the dumplings. My sister is much younger than me, being only 6 years old at the time. She thought it was so much fun to make dumplings, so she asked me to teach her. But let me tell you, it was quite a challenge for a little kid. I tried teaching her for a long time, but she just couldn't get the hang of it. The dumplings she made were all different shapes, and they would burst when we boiled them. I didn't know what to do, so when she went to watch TV, I secretly fixed the dumplings for her. Finally, after all my hard work, my sister got to enjoy the dumplings she made with her own hands. She was so happy and excited, gushing to me about how she had just figured out how to make dumplings!

To be honest, I really love spending time with my sister, even though there's a big age gap between us. This activity brings our family closer together. It is wonderful and delightful to eat dumplings which we have made with our own hands. Normally, we are very busy, and there are seldom opportunities for everyone to get together. Perhaps what I cherish the most are not the dumplings, but rather the rare reunion.

好几年前的一个春节，我和我妹妹花了一个下午的时间来包饺子。包饺子是中国很多地方的传统习俗。饺子承载着对于我们对于来年的美好期望。

年三十的时候我们全家人一起在家里包饺子。妈妈负责做饺子皮，爸爸负责切菜，我就负责包饺子。我妹妹年纪比我小很多，当时她才 6 岁。她觉得包饺子很好玩，就让我教她。然而这对于一个小孩来说显然有些困难，我教了她很久，她都学不会。她包出来的饺子形状各异，而且一煮就会炸开。我拿她没办法，只能趁她去看电视的时候，帮她重新加工一下饺子。最后，在我的努力下，妹妹如愿的吃上了自己亲手包的饺子。她非常开心的跟我说她已经学会包饺子了！

事实上我很喜欢和我的妹妹在一起，虽然我们的年龄差距很大。包饺子让我们一家人拉近了彼此之间的距离。对我妹妹来说，吃到自己亲手包的饺子是一件非常有成就感的事。平时大家都很忙，所有人能聚在一起是非常难得的。或许我珍惜的并不是饺子，而是这一份难得的团圆。

Making dumplings is a traditional custom in China. During many important festivals, people will honour the date by celebrating in this manner. Dumplings are an essential dish, found on every dinner table in northern China during the New Year's festival. Making and eating dumplings together, primarily in northern China, has become a fundamental activity for the majority of families during the Spring Festival.

On the eve of the Lunar New Year, my family will gather to make dumplings. The tasks are divided between the family. My mum will prepare the dumpling wrappers, my dad is responsible for cutting vegetables, and my grandpa and I will just have a seat and form the dumplings while watching TV.

In China, we believe that dumplings contain our good fortunes for the coming year. My mum will always choose one dumpling to hide a coin inside of. It is thought that whoever eats the dumpling that contains the coin is the luckiest person and shall be extremely fortunate in the following year.

I adore this activity with all my heart. It brings our family closer to each other. It is wonderful and delightful to eat dumplings which we have made with our own hands. Normally, we are very busy, and there are seldom opportunities for everyone to get together. Perhaps what I cherish the most are not the dumplings, but rather the rare reunion.

Where it is

How you would travel there

What you would do there

And explain why you would really like to visit this place.

Lhasa is a very well renowned city and I have always wanted to take a short trip to Lhasa. Located on the Tibetan Plateau, Lhasa is one of the highest cities in the world. Lhasa owns the world-famous Potala Palace, and it is also the holy land of Buddhist believers.

Taking the train is definitely the most popular way to get to Tibet. It's not only affordable, but you get to take in the stunning views as you go. The only problem is that tickets can be hard to come by since it's such a popular route.

I wish to go to Lhasa with my family. Most scenic spots in Lhasa need to be reached by car, and my dad is an experienced driver. If I have the chance, I definitely will go to Namtso. This is one of the three holy lakes in Tibet. Aside from the clear lake, visitors can see the snow-capped mountains in the distance. I want to go to the famous Potala Palace, which is the landmark of Lhasa.

Lhasa is a magical and interesting city, where the air is thin, but the people are full of faith. I once saw a video on social media that really touched me. It showed Tibetan people in simple clothes, braving the wind and rain, setting off from their homes. Every few steps, they would kneel down and bow their heads in reverence. Their destination was the holy Jokhang Temple. Seeing their powerful faith and devotion made me want to go to Lhasa and experience it for myself.

Lhasa stands as a highly esteemed city, one that has perpetually beckoned me to embark on a brief sojourn. Perched upon the majestic Tibetan Plateau, Lhasa claims its place among the loftiest cities on Earth. Eminent for its iconic Potala Palace, this hallowed city serves as a spiritual haven for devout followers of Buddhism.

Undoubtedly, traversing the Tibetan landscape by train stands as the favored mode of transport. Not only does it offer an economically viable option, but it also affords travelers the opportunity to feast their eyes upon breathtaking vistas along the way. However, acquiring train tickets can prove to be an arduous task, given the overwhelming popularity of this particular passage.

My heartfelt desire is to accompany my family on this journey to Lhasa. Since many scenic attractions in Lhasa require transportation by car, my father, an accomplished driver, assumes the role of an ideal driver. Should fortune favor us, I fervently aspire to visit Namtso—a veritable jewel among the three sacred lakes adorning Tibet's landscape. Beyond its crystalline waters, visitors are blessed with a majestic panorama of snow-capped

mountains stretching across the horizon. A visit to the venerable Potala Palace, an iconic emblem of Lhasa, also occupies a prominent place on my itinerary.

Lhasa emanates a magical and intriguing aura, where the thin air coexists with the unwavering faith of its people. I was deeply moved by a video I once saw on social media, depicting Tibetan individuals dressed in humble attire, braving the elements as they set forth from their homes. At regular intervals, they would humbly kneel down, bowing their heads in profound reverence. Their destination? The revered Jokhang Temple. Witnessing their resolute devotion kindled within me an irresistible desire to personally experience the mystique of Lhasa.

拉萨是一座非常著名的城市，更是很多中国人心中此生必去的旅游目的地之一。我一直想去拉萨进行一场短途旅行。拉萨位于青藏高原，是世界上海拔最高的城市之一。这里不仅有全世界闻名的布达拉宫，更是许多佛教信徒心中的圣地。

最受欢迎的进藏方式毫无疑问是乘坐火车，火车不仅价格便宜，还可以欣赏沿途美丽的风景。只是我不确定是否能买到车票，因为这条线路实在是太受欢迎了。

我希望和我的家人一起去拉萨。拉萨的大多数景点都需要自驾才能到达，而我的爸爸是一名有经验的司机。如果我去拉萨旅游，那我一定不会错过纳木错。这里是西藏的三大圣湖之一。除了清澈的湖水，远处还可以看到雪山。我想去著名的布达拉宫，这是拉萨标志性的建筑。

拉萨是一个神奇又有趣的城市，这里的空气稀薄，但是这里的人却充满了信仰。我曾经在社交网站看过一个视频。一些衣着朴素的藏民不惧风雨，不怕路途遥远，从自己的家出发，每走几步就会跪下磕头，直到到达他们心中的圣地大昭寺。那种虔诚的信仰之力让我的心灵受到巨大的震撼。因此我非常想去拉萨看看。

I am a big fan of reading and love all kinds of novels. Every time I read a fascinating novel, it feels like I'm following the protagonist on an adventure. Recently, I bought a set of the Adventures of Sherlock Holmes, which was introduced to me by my friends. In fact, I have already read it more than once! The book contains many separate and exciting stories. These stories are full of intrigue and suspense which is why I found the book to be so hard to put down.

The Sherlock Holmes novels are actually a large collection of stories written by Sir Arthur Conan Doyle. Holmes and Watson are famous detectives who protect England from evil. Most importantly, they protect people from the criminal mastermind, Professor Moriarty. This book not only improves my critical thinking skills, but also imparts lots of medical and scientific knowledges.

I've read Sherlock Holmes more than once, and although I already know who the killer is, the battle of wits between Sherlock and Moriarty is very exciting because they're both geniuses. Every time I read, I find new clues that I hadn't noticed before, which is very interesting to me.

I have bought many different detective novels since I was young, but the best of them all is the Sherlock Holmes series. This is because the criminal is never the person who you think it is going to be. Therefore, the conclusion is always a surprise.

我喜欢读书，尤其喜欢看各类小说。每当我遇到精彩的小说，那种感觉就像我在跟着主角一起冒险。最近我买了一套《福尔摩斯合集》，这本书是我的好朋友推荐给我的。我已经读了不止一次了。这本书里有许多有趣的独立的故事。这些故事充满了神秘和悬念，简直让人爱不释手。

福尔摩斯系列小说是阿瑟·柯南道尔爵士创作的一套大型小说。福尔摩斯和华生是著名的侦探，他们保护英国免遭罪恶。最重要的是，它们保护人们免受超级恶棍 Moriarti 博士的伤害。这本书不仅增强了我的思维逻辑，还可以学习到许多化学知识和医学知识。

福尔摩斯我已经读了不止一遍了，虽然我已经知道凶手是谁，但夏洛克和莫里亚蒂之间的智慧之战非常有趣，因为他们都是天才。每次阅读我都会发现新的之前没有注意到的线索，这让我觉得非常有趣。

我看过很多侦探小说。福尔摩斯是其中最有趣的，因为罪犯从来都不是你想象中的那个人，总有出人意料的结局出现。

When most people consider their perfect houses, a common answer would be a villa or a duplex apartment. In contrast, I would have to say that my ideal home would be an apartment with a large balcony. I believe it is very comfortable to have a big balcony in one's own home.

If I had the chance, I'd want to live in an open area with panoramic views, such as overlooking a river or a lake. I am someone who cares deeply about the environment, and it brings me a lot of joy when I can step out onto a balcony and immerse myself in the beautiful scenery.

I would plant a plethora of plants there, including both common small potted plants but also some larger tropical varieties. I could even install a hammock suspended from the roof of the balcony, as it is extremely pleasant lying in a hammock, enjoying an afternoon tea when the weather is warm and sunny.

If I had a house with a big balcony, it would be a place for me to relax and an excellent space for partying with my friends. I wouldn't need to worry about the mosquitoes on the grass or lampblack when barbecuing outdoors. That's what my perfect house would be. It sounds absolutely perfect.

I believe there is nothing more comfortable than having access to a roomy balcony in one's own home.

If I could have it my way, I'd want to live in an open area with fantastic views, by a river or a lake for instance. As someone with a keen sense of my surroundings, having beautiful sights close by would truly brighten up my day. I would be able to fill the balcony with plants and flowers, including both common small potted plants as well as larger and more exotic tropical plants. I could even install a hammock suspended from the roof of the balcony, as there are seldom things more pleasant than reclining on a hammock and savoring an afternoon tea when the weather is favorable.

In addition to being a place for respite and relaxation, my dream house would also serve as an excellent location for partying and festivities with my friends. I will would never be anxious about the lampblack on the grass or the incessant buzzing and harassment of mosquitoes while barbecuing upon the balcony. That's what my perfect house would be.

说到心目中完美的房子，大多数人应该会喜欢大平层或者别墅，而我最喜欢的却是有大露台的房子。我认为没有什么比一个宽敞的大阳台更让我感觉舒服的地方了。

如果可以的话，我希望这间房子能在一个风景优美且视野开阔的地方，比如说江边或者湖边。我是个非常在乎居住环境的人，如果走出阳台就能看到美景，这会让我心情愉快。我想要一个很大的露台，这样我就可以在阳台上种很多植物。不仅有常见的小盆栽，我还希望有一些大型的热带植物。我甚至想要在阳台的屋顶上装一个秋千。在天气好的时候，没有什么比坐在秋千上享受一顿下午茶更惬意的事情了。

如果我拥有了一间带大露台的房子，阳台除了是我放松休息的地方，更是我和朋友聚会的好选择。在阳台烧烤既不用考虑烤肉的油烟，还不用担心草地上的蚊虫。这实在是太完美了。

What the talk was about

Why you gave this talk

Despite being kind of an introvert, I often feel uncomfortable when I speak in front of a lot of people. The last time I gave a talk to lots of people was when I had to give a self-introduction in front of my classmates. It was a very interesting experience that I remember very well.

It happened on the first day of my college career. We were all gathered in the classroom in the afternoon. Our teacher had given us an overview of the school and then had asked each of us to go up to the front of the class and introduce ourselves. I believe he wanted to help us get to know each other as quickly as possible.

I am very shy, and when I heard about this task, I felt very nervous. At the beginning, as I looked at all those eyes in the audience focused on me, my mind went completely blank. I told everyone my name, where I was from, as well as a few of my hobbies. But it wasn't until I said that I loved going shopping and playing mahjong that the whole class laughed out loud.

Yeah, I guess my hobbies were a bit different from the others, who were all talking about books and sports. Their laughter put me at ease, and I felt much more relaxed when I continued speaking. Some of my classmates even came up to me after class and asked for my contact info. We ended up creating a chat group, and it's been really cool since - we've even hung out a few times to play mahjong!

我是个比较腼腆的人，听到这个任务我非常紧张。刚开始的时候，看着台下那么多双眼睛一起看着我，我的大脑一片空白。我结巴着跟大家说了我的名字，我的家乡，还有我的兴趣爱好。直到我告诉大家我喜欢逛街和打麻将时，全班同学都笑了。因为其他人讲的都很正式，都说自己喜欢看书或者运动。似乎只有我的爱好与众不同。但也是因为如此，大家的笑声缓解了我的紧张，后面我继续说的时候感觉轻松多了。下课后还有几个同学都主动加我微信，我们还因此组建了一个聊天群。在以后的课余生活中，我们约着去打了好几次麻将！

21: 有趣的邻居

Describe an interesting neighbor.

You should say:

What do he/she do

How you met this neighbor

How often you see this neighbor

And explain why you think this neighbor is interesting.

简单版

I think my neighbor Angela is a very interesting person. We live in the same residential quarter, and first met while walking our dogs; mine a poodle and hers a Pomeranian. I'd say she's a retiree in her mid-60s or so. I always walk my dog after 10 pm, and often meet her in the elevator, so we both got to know each other.

Angela is very kind and funny. She is very caring and treats her pet as if it was her baby. One time, while chatting with her, she told me about how she used to live in a house in the city center that didn't have an elevator. The area around her house was bustling with traffic. Because of this, every time she took her dog for a walk, she had to be super cautious. But after retiring, she moved to our neighborhood. Here, we have all these huge grassy areas that are perfect for dog walking, and elevators in every building, which makes it easy for her and her dog to go up and down.

But here's the funny part. Whenever she takes her dog downstairs for a walk, she actually talks to her dog as if the dog understands her. It's like she's having a conversation with her dog. For example, when her little furry friend steps in some mud on the road, she patiently says, "Sweetie, that's a dirty spot, let's go this way instead." Every time I see her talking to her dog, it cracks me up. It's just too amusing!

I must say my neighbour Angela is really fun to hang out with. We have lived in the same neighbourhood for a while now, initially getting to know each other while walking our dogs, a Poodle for me and a Pomeranian for her. Angela is retired and, judging by her looks, could easily be in her sixties. With several chance encounters in the elevator each week, we gradually turned from strangers to acquaintances.

A joyful soul with a warm, caring heart, this kind, generous lady treats her pet the way she would a child. I learned during a conversation with her that there was a time when every dog-walking session was a hassle and scary for Angela, as she used to live downtown in a community unequipped with elevators and surrounded by roads with heavy traffic. For its large, dog-friendly open space and ease of movement up and down stairs, Angela moved to her current address after retiring.

What is most interesting about Angela is the fact that she talks to her dog as if it understands her! She says to the animal things like "This way, baby. Avoid the mud.", which I always find tremendously amusing.

This business is called ABC Cooking. They don't sell any ready-made food but instead sell courses where customers can get hands-on experience making their own favorite desserts or dishes. During the process, a professional teacher guides customers on how to cook the dishes. The teacher teaches them about the techniques required to cook flawless rice and fry an egg to perfection. The teacher also introduces some professional tips and tricks, such as how to choose appropriate cuts of meat and how to control the heat when pan-frying steak.

From what I've seen, the customers are mainly young women. It is very likely that they are working nearby, but even college students seem to be big fans of this cookery school. Honestly, it is apparent that it is going to be very successful because its concept is extremely innovative.

Nowadays, many young folks are getting tired of the usual pastimes, like going out for meals or watching a movie. My friends and I totally agree that this cooking concept is very interesting. If I can find the time in the future, I will definitely sign up for one of their courses. It offers a chance to learn life skills while also providing a relaxing and enjoyable social experience.

And explain why it is very useful in your daily life.

简单版

I recently suggested to my roommates that we get a washing machine for ourselves and split the cost between us. It is so useful that I consider it to be one of the most important inventions in the world.

Without a washing machine, I would have no choice but to handwash my clothes. The timetable of classes I have to attend daily always exhaust me by the end of the day, so handwashing, especially during summer, is simply too time-consuming.

Throw the clothes in, pour in a bit of detergent and conditioner, and there you have it — a fresh load of laundry in an hour, which, by the way, I can spend however I choose. Take, for instance, practicing spoken English or reading. Just imagine the improvement I can accumulate from those saved hours. What a useful tool a washing machine is!

I believe everyone needs a washing machine, regardless of age. Washing machines are not so much a convenience for young people, who are too lazy to do their household chores, as they are reliable inventions of the modern era for the elderly, whose energy levels are simply incomparable to their younger counterparts. In fact, my friends, family members, and I all consider the washing machine as a necessity in life.

Washing machines are common items nowadays, it is undeniably a breakthrough invention and the symbol of simplicity and efficiency.

I recently suggested to my roommates that we get a washing machine for ourselves and split the cost between us. It is so useful that I consider it to be one of the most important inventions in the world.

Without a washing machine, I would have no choice but to handwash my clothes. The timetable of classes I have to attend daily always leaves me drained by the end of the day, so handwashing, especially during summer when the laundry load increases, is simply too time-consuming and exhausting. It is very easy to use it. Throw the clothes in, pour in a bit of detergent and conditioner, and there you have it — a fresh load of laundry in an hour, which, by the way, I can spend however I choose. Take, for instance, practicing spoken English or reading. Just imagine the improvement I can accumulate from those saved hours. What a useful tool a washing machine is!

I believe everyone needs a washing machine, regardless of age. Washing machines are not so much a convenience for young people, who are too lazy to do their household chores, as they are reliable inventions of the modern era for the elderly, whose energy levels are simply incomparable to their younger counterparts. In fact, my friends, family members, and I all deem the washing machine as a necessity in life.

As commonplace an object as the washing machine has become nowadays, it is undeniably a breakthrough

invention and the epitome of simplicity and efficiency.

最近，在我的提议下，我和我的舍友集资买了一台洗衣机。不得不说，这台洗衣机简直改变了我的生活，它实在是太有用了。洗衣机真是一项伟大的发明！

在没有洗衣机之前，我只能用手洗衣服。每天下课我已经很累了，回到宿舍还要洗衣服，尤其是炎热的夏天，脏衣服很多。这让我感到费时费力。自从有了洗衣机，我只需要要把衣服放进去，加上洗衣液和消毒液，一小时后我就能得到一筐干净的衣服。我可以用这个时间去做任何我想做的事。如果我每天都用这一小时来开口说英语，或者读一些书，那我将会得到很大的个人提升。

我认为所有人都需要洗衣机，无论是年轻人还是长者。年轻人通常很懒，他们不愿意做家务。上了年纪的人，他们的体力和精力都在下降，更需要使用一些现代化的工具。我和我的朋友，家人都认为洗衣机是生活中的必需品。

虽然洗衣机现在已经是普及的家用电器，但不可否认，它是一项伟大的发明。它让人们以一种更简单，更高效的方式生活。

25: 令你失望的电影

Describe a film you saw recently that you found disappointing.

You should say:

What kind of film it was

What it was about

Why you decided to watch this film

And explain why you found this film disappointing.

Recently, I watched a comedy film called "Detective Chinatown 2". It tells the story of Tang Ren, who tricks his friend Qin Feng into a journey to New York, where they join a global detective competition that promises a huge cash prize. As they try to find out the identity of a murderer, they discover a bigger secret behind the game.

I decided to watch this film because I liked the Detective Chinatown series very much. The second installment used the same director and actors as the first one, so I was very interested in how this new story compared. I was looking forward to a detective story full of wit, humor, and clever plot twists.

Unfortunately, this second installment is a boring and repetitive film, making it pretty awkward to watch, at times. The storyline is also totally lacking in originality. By the time the killer appeared, I had already guessed that he must have been the culprit. Even the final twist didn't bring me much surprise. It seemed like the director was more focused on creating visually stunning scenes rather than creating a solid, engaging storyline.

Overall, "Detective Chinatown 2" didn't meet my expectations. It wasn't as fascinating as the first film was and feels more like a generic, unoriginal comedy. It is unfortunate when a potentially good movie fails to meet expectations, but at the same time, I realize that not every movie can achieve great success, and sequels often leave people disappointed.

Recently, I checked out this mystery comedy film called "Detective Chinatown 2". It tells the story of Tang Ren, who tricks his buddy Qin Feng into a journey to New York for a global detective competition that promises a massive cash prize. As they try to track down a murderer, they stumble upon an even bigger secret behind the whole challenge.

I decided to give this movie a shot because I'm a fan of the Detective Chinatown series. Since the second installment featured the same director and cast as the first one, I was curious to see how the plot would unfold. I was expecting a fun detective story with lots of humor and clever plot twists, but man, was I disappointed.

The comedy in the film felt forced and repetitive, making it pretty awkward at times. And as for the whole detective deduction thing? It lacked originality because I could practically guess who the killer was as soon as they showed up on screen. Even the final twist didn't surprise me in the least. It seemed like the director was more focused on creating visually stunning scenes rather than crafting a solid, engaging storyline.

Overall, "Detective Chinatown 2" didn't live up to my expectations. It didn't have that gripping story like the first film did. It's more like a run-of-the-mill comedy you watch on family movie nights. It's a shame when a highly-anticipated blockbuster falls short, and sequels often end up leaving you disappointed.

最近，我看了一部悬疑喜剧《唐人街探案 2》，电影讲述了主角唐仁为巨额奖金，欺骗好朋友秦风到纽约参加世界侦探大赛的故事。他们在寻找杀人凶手的过程中，却发现了隐藏在这次挑战背后的更大秘密。

我决定看这部电影，因为唐人街探案系列是我非常喜欢的作品。第二部从导演到演员都和第一部相同，因此我对故事的前提很感兴趣。我期待着一个充满诙谐幽默和巧妙情节转折的侦探故事。

然而，我发现这部电影令我失望。整部电影的笑点让人觉得非常尴尬，他们是强迫的和重复的。故事的推理同样缺乏新意，凶手一出来，我就猜到他是凶手了。包括最后的反转，也没有带给我多少惊喜。导演似乎更专注于创造视觉上令人惊叹的场景，而不是发展一个坚实的故事情节。

总的来说，《唐人街探案 2》没有达到我的期望。它并不像第一部那样讲述了一个引人入胜的故事，它只适合一家人一起当做普通喜剧来看。一部有潜力的电影拍得不尽如人意是很不幸的，同时，不是每部电影都能大获成功，续集往往会令人感到失望。

I have dreamed of being a teacher ever since I was a child. When I was young, I thought my teacher was very authoritative and could educate and discipline the whole class, which was super cool. Now as I get older, I still love the idea of being a teacher.

In fact, it's not easy to be a teacher. Most schools only recruit graduates who have majored in education. Not to mention, that's just the basic requirement. In addition, you must have a teaching certificate. To get this certificate, students need to take part in the unified examination held by the government. If you want to work at a better or renowned school, you have to pass a city-wide teacher recruitment exam, which has a very low passing rate. If I want to be a teacher, first of all I have to study hard and pass these two exams.

The main reason why I want to do this job is that teachers have summer and winter vacations, which aren't available in other social jobs. I am a big fan of travelling so I need a lot of vacation to meet my desires. However, in China, working hours are very long and working overtime is frequent. The longest paid leave is only seven days during the Spring Festival. Secondly, I think teaching is a respectable profession with high social status. In my work, I may come into contact with students and parents of various personalities, which I look forward to. Moreover, teaching is also a well-paid profession which is very attractive for me.

Since my earliest years, I have nurtured aspirations of becoming an educator. During my youth, I held my teacher in great esteem, marveling at their authority and ability to educate and discipline the entire class—a truly impressive undertaking. As I have matured, my passion for the teaching profession remains unwavering.

However, I am cognizant of the challenges inherent in pursuing a teaching career. Most schools prefer to hire graduates who have specialized in education. Moreover, obtaining a teaching certificate is a prerequisite for aspiring teachers, necessitating participation in a government-administered examination. To secure a position at a reputable school, one must also pass a city-wide teacher recruitment exam, which boasts a remarkably low pass rate. If I am to realize my ambition of becoming a teacher, I must first dedicate myself to diligent study and succeed in both of these exams.

The primary reason driving my desire to pursue this profession is the advantage of summer and winter vacations, a luxury not commonly found in other occupations. As an avid traveler, I crave ample time off to satiate my wanderlust. However, in China, working hours are typically long, and overtime is frequent. The longest paid leave available is only seven days during the Spring Festival. Additionally, I hold teaching in high regard due to its honorable reputation and elevated social standing. The prospect of engaging with students and parents from diverse backgrounds is something I eagerly anticipate. Furthermore, the prospect of a well-compensated profession holds great appeal for me.

从小我就梦想成为一名老师。小时候我觉得我的老师非常有威严，而且能管教整个班级的学生，这酷毙了。现在我长大了，依然很喜欢这份工作。

想成为一名老师是很不容易的，大多数学校都要求师范类专业，这只是基础的要求。除此之外，你还必须取得教师从业资格证。考试每年只有一次，通过了就会取得相应证书。如果你想去一所好学校上班，还得通过全市统一的教师招聘考试，这个考试的通过率是非常低的。如果我想成为一名老师，首先我得努力学习，通过上述的两项考试才行。

我想做这份工作，很大的原因是因为它有寒暑假，这是一般工作无法达到的。我是个很重视假期的人，我很期待在长假中拥有一场长途旅行。但是在中国，大多数的工作都需要加班，甚至春节只有一周的假期，过于忙碌的工作会让我觉得压力很大。其次，我认为老师是一个令人尊敬的职业，拥有很高的社会地位。在工作中我可能会接触到各种性格的学生和家长，这些都令我感到期待。
